730 ILCS 5/3-15-2 outlines the responsibility of the Illinois Department of Corrections, Jail and Detention Standards Unit to inspect county and municipal jails and identify noncompliance with established standards.

This requirement is outlined in paragraph (b) of the statute and is included below.

As the Director I am required to give notice of noncompliance and ensure follow up inspections are completed six months after notice is given. This will allow for the county or municipality to take the steps necessary to correct noncompliance findings.

(b) At least once each year, the Department of Corrections may inspect each adult facility for compliance with the standards established and the results of such inspection shall be made available by the Department for public inspection. At least once each year, the Department of Juvenile Justice shall inspect each county juvenile detention and shelter care facility for compliance with the standards established, and the Department of Juvenile Justice shall make the results of such inspections available for public inspection. If any detention, shelter care or correctional facility does not comply with the standards established, the Director of Corrections or the Director of Juvenile Justice, as the case may be, shall give notice to the county board and the sheriff or the corporate authorities of the municipality, as the case may be, of such noncompliance, specifying the particular standards that have not been met by such facility. If the facility is not in compliance with such standards when six months have elapsed from the giving of such notice, the Director of Corrections or the Director of Juvenile Justice, as the case may be, may petition the appropriate court for an order requiring such facility to comply with the standards established by the Department or for other appropriate relief.

Mission: To serve justice in Illinois and increase public safety by promoting positive change for those in custody, operating successful reentry programs, and reducing victimization.
