Support for Life Insurance Beneficiaries When They Need It

Payment Now, Paperwork Later

Losing a loved one can be emotionally and financially overwhelming.

DearbornCares provides an advance payment of the life insurance benefit to help beneficiaries cover their immediate expenses, such as funeral costs and medical bills.

- ▲ Pays up to \$10,000 of Employer-Paid Basic Life insurance claims
- ▲ Available for covered employees and retirees
- ▲ Applies to claims with 1 or 2 named beneficiaries
- ▲ No death certificate required

DearbornCares Claim Process

1. Employer notifies Dearborn National about the life insurance claim.
2. Employer confirms that the deceased employee qualifies for the service.
3. Employer provides current beneficiary form and information.
4. Dearborn National then mails the payment check within 48 hours of confirmation. Any remaining Basic Life benefit, if available, will be handled using our standard processes.

While we know this service won't fix everything, we hope it makes a difficult time a little easier.
