WATER WELL SEALING PERMIT APPLICATION

This is your permit application to seal a water well. There is a fifty (\$50.00) dollar permit application fee for a water well sealing permit.

If a permit is denied, the fee will be returned to the applicant.

A permit for sealing a water well will not be issued until a completed application and fee have been submitted to the LaSalle County Health Department. Once the permit has been issued, no fees shall be refunded.

Please make checks payable to the LaSalle County Health Department.

The Health Department must be notified for an inspection of the well sealing 48 hours prior to sealing. Health Department staff may be required to be onsite during sealing.

- **NOTE:** The LaSalle County Health Department inspections will result in a statement as to whether, or not, the water well meets current Illinois Department of Public Health Standards. The LaSalle County Health Department does not guarantee any well, nor do the inspection or permit processes result in any general, or implied warranty for use of the well.

Instructions For Applying For A Permit

- A. **Plat of Survey:** Please submit a copy of your plat of survey including your legal property description. This may be copies from a deed, contract, tax receipt, etc.
- B. **Plot Plan:** Please furnish plans or draw to scale a diagram of the well location. The plot plan should indicate:
 1. Lot dimensions and property lines.
 2. Distances of proposed construction to the building served, property lines, existing wells, sewer lines, septic tanks, proposed septic systems, or other sources of contamination.
- C. Complete the appropriate application form, which is attached.
